

Jim Hoerricks is the Director of Customer Support and Training at Amped Software, Inc., an Axon partner. Previously, Jim was the Senior Forensic Multimedia Analyst for the Los Angeles Police Department. Jim co-founded the LAPD's forensic multimedia laboratory in 2002 and helped set the standard for its handling of this unique type of evidence. Jim is the author of the best-selling book, *Forensic Photoshop*, and a co-author of *Best Practices for the Retrieval of Video Evidence from Digital CCTV Systems (DCCTV Guide)*. Jim also serves on the Organization of Scientific Area Committees for Forensic Science's Video/Imaging Technology and Analysis subcommittee.
